Bressler AMERY & ROSS P.C.

# Intellectual Property, Technology, Media and Telecommunications

Our lawyers have extensive legal and business experience with intellectual property, technology and telecommunications and can offer targeted and informed legal services in this fast-paced area. Bressler's team brings decades of negotiation expertise and industry experience to help our clients achieve their business objectives.

We have represented clients in numerous M&A and joint venture transactions with an emphasis on telecommunications equipment, media content, streaming and other important technology and related services. We regularly represent emerging and mature technology companies in intellectual property and software licensing, telecom, datacoms and tech transfer transactions.
